

The Queensland Government's Gambling Community Benefit Fund is proud to provide funding to Autism Behavioural Intervention Queensland (ABIQ) to conduct

ONE-DAY WORKSHOPS ON "APPLIED BEHAVIOURAL ANALYSIS PROGRAM"

Presented by:

A team of qualified & experienced Autism professionals

Target participants:

Parents/carers of children with Autism,
and
students interested in Autism

**Saturday 27 March 2004 and
If demand exists, Sunday 28 March 2004**

9.00am – 5.00pm

QUT Kelvin Grove Campus

Room to be advised

Upon registration

(Free parking available)

The program

- * Information about Autism
- * ABA theory and practice
- * Hands-on sessions
- * Viewpoints from parents and ABA therapists

The speakers

- * Leslie Workmon B.A. Psych
- * Chloe Chan, B.Com, B.Art(Psychology)
- * Kathleen Davey, B.PsycSc(Hons)
- * Tracey Grose
- * Mogens Johansen, B.Sc. (Hons)(psych)

What's in it for you?

Parents/carers will find out more about an ABA program from experienced service providers, teaching assistants, and other families. It is an opportunity to ask face-to-face questions.

Students who are interested in a career working with children with Autism will learn more about this field from Behavioural Analyst and experienced teaching assistants. You should attend if you are looking for casual employment within a home based ABA program. After attending this workshop, you will be on the ABIQ's therapist register, from which potential employers will recruit for their ABA program.

REGISTRATION

Due by 19 March 2004

Please Note:

The workshop is limited to 20 participants. **To reserve a place, contact ABIQ**
By telephone on 3264 2582
or

By email

enquiries@abiq.org

Includes lunch & refreshments

Funding & support

The Queensland Government's Gambling Community Benefit Fund provided funding to ABIQ to conduct a series of information seminars and workshops on Autism. This workshop is part of that series. The Gambling Community Benefit Fund improves the lives of Queenslanders through investing in Queensland's communities.

This workshop is also proudly supported by the School of Public Health, QUT
