Facilitated Communication training. A one day basic workshop for people who are interesting in facilitating someone who has already been assessed by an accredited Instructor, as a candidate for FCT. This workshop will cover an introduction to the strategy, describe how FC fits into the field of augmentative communication and provide practical experience for participants. Practical experience will include design of communication displays, accommodation of movement disturbances and interaction skills. In the afternoon the presenters will cover validation and fading support techniques.

REGISTRATION

Due by 23rd January 2004

Please Note:

The workshop is limited to 30 participants. Preference may be given to ABIQ members. Registration is essential and on registration, venue details will be supplied. **To reserve a place, contact ABIQ by telephone on 3264 2582 or by email enquiries@abiq.org**

Includes lunch & refreshments

Funding & support

The Queensland Government's Gambling Community Benefit Fund provided funding to ABIQ to conduct a series of information seminars and workshops on Autism. This workshop is part of that series. The Gambling Community Benefit Fund improves the lives of Queenslanders through investing in Queensland's communities.
