*Leslie Workmon – Clinical Director, ABAQ*

Leslie Workmon, B. Psych, has specialised in working with children diagnosed with Autistic Spectrum Disorder (ASD) for the last 15 years. She holds a Bachelor of Arts degree in Psychology and is currently completing a Masters of Speech Pathology Studies and a Masters of Science in Applied Behaviour Analysis.

Leslie migrated to Australia from the United States in 1997, after completing extensive education and training in Applied Behaviour Analysis. Leslie has previously worked for an international organization, the Center for Autism and Related Disorders (C.A.R.D. - U.S. and Aust) during which time she held the titles of Junior Therapist, Senior Therapist, Case Supervisor and Clinical Director.

She has extensive experience and expertise in: educational and behavioural assessment, development and evaluation of Individual Education Plans (I.E.P.); inclusion of special needs children into mainstream classrooms, and supervision, training and collaboration with families, teachers, teaching assistants, school personnel and a variety of allied health professionals to foster growth and positive learning experiences in children with special needs.

Leslie has designed and implemented unique and innovative in-home and school-based ABA programs for numerous families throughout the United States, Canada, England, and Australia with great success. She is an approved service provider for Brisbane Catholic Education, Education Queensland, and Brisbane Lutheran Education.
